

How to post on Facebook

Walk for Life 2022

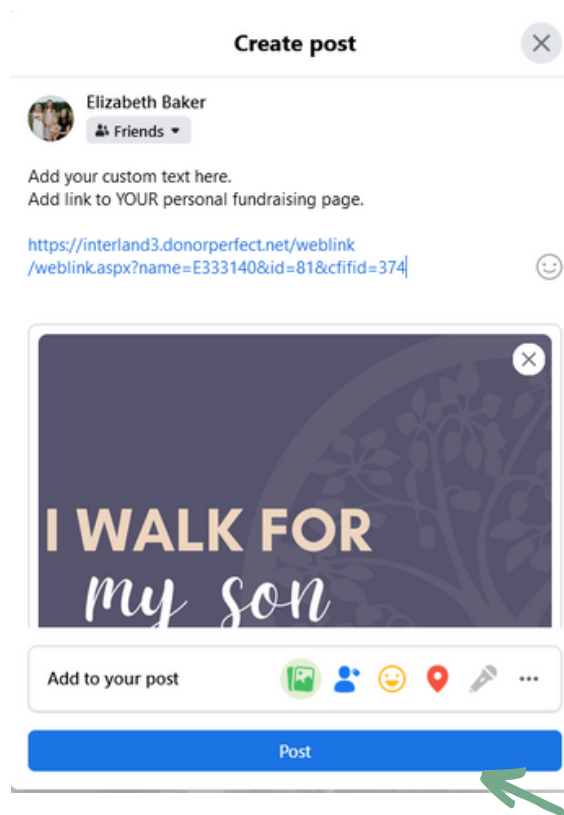

Step 1: Create a post

Step 2: You'll want to add a personal photo. Either one of your choosing or one of the social media icons we've created.

Step 3: Add your custom ask messaging and the link to YOUR personal fundraising page. *This is very important to ensure any donations are reflected on your page.

**You can find the link to your personal fundraising page by opening the email you received upon registering
(Subject Line: Support My Fundraising Effort)*

After clicking the 'Donate to my cause' button within the email, copy the link from the URL to paste in your Facebook post.

Step 4: Click 'Post'
